

## Introduction

The Evaluative Report of the Departments, Centers and Administrative sections of the University has been compiled school-wise and in an alphabetical order. There are seven Schools of Studies, twenty-three Departments, eight Centers, seven Colleges of Teacher Education, three Polytechnics, three Industrial Training Institutes and three Model Schools. In 2013, the University initiated several new departments and programs in the School of Sciences and School of Arts & Social Sciences. One new School, School of Computer Science and Information Technology has been established. The University has started the Under-Graduate (leading to Post Graduate) programs in languages, social sciences and sciences with a view to moving on to the CBCS system in the near future in a holistic manner. There is a strong orientation towards integrated programs. MANUU offers a truly learner centric approach to higher learning for its chosen learning groups.

The new programs introduced in 2014 are at a nascent stage, and therefore, their separate Evaluative Reports (ERs) have not been included and hence brief notes on these units have been presented. In the same spirit, write-ups are being included on some Centers/Sections of the University since it was felt that the functioning of these units is of a different nature. A note on Directorate of Distance Education (DDE) was also felt necessary though formal detailed evaluation of DDE is not required as per the guidelines of NAAC manual.

### **New initiatives in School of Sciences:**

The School of Sciences was established in the year 2006 with initiation of one Post Graduate Diploma Program in Information Technology in the Department of Computer Science & Information Technology. In the year 2010, MCA and M.Sc Mathematics were introduced by creating a new department. Recently, the Department of Computer Sciences & Information Technology has been shifted to the newly established School i.e., School of Computer Science & Information Technology from the academic session 2014-15.

Now with the introduction of four new departments in the academic session 2014-15, the School of Sciences has five departments, three Polytechnics and four Paramedical courses. The newly created departments are: Physics, Chemistry, Botany and Zoology. With the exception of the Department of Mathematics, the evaluation reports of the new departments have not been included in the SSR document for re-accreditation, since these departments are new.

The new departments started undergraduate programs from 2014-15, and are planning to start post-graduate and research programs from 2015-16. The faculty has been appointed, and the vacant positions are notified. After filling up the positions, each department will have four faculty members viz., one Professor, one Associate Professor and two Assistant Professors. The proposals of creating separate buildings/labs for the School are under consideration. Suitable laboratories for conducting practicals and research programs are being created.

## **New initiatives in School of Arts & Social Sciences:**

There are eight departments in the School of Arts & Social Sciences, and one specialized center called Center for Women's Studies. These departments are: Economics, History, Islamic Studies, Political Science, Public Administration, Social Work, Sociology, and Women Education.

Four of these departments are newly established viz., Economics, History, Political Science and Sociology; and hence their Evaluative Reports have not been included. However, a brief description of the academic progress in these departments is being given. These departments have started undergraduate programs and are planning to start post-graduate and/or research programs from the next academic session. The faculty has been appointed, and notification has been reissued for the vacant positions. In the Department of Economics, one Professor and two Assistant Professors are appointed while in the Department of History the provision has been made for one Professor, one Associate Professor and two Assistant Professors. In the Department of Sociology, three Assistant Professors have been appointed. Two Assistant Professors have been appointed in the Department of Political Science which has been carved out of the Department of Public Administration & Political Science. Hence, there is a combined evaluative report of the Department of Public Administration and Political Science. It is encouraging to state that 95% of the faculty appointed in these new departments are from established universities with diverse experience and rich publication base which has added momentum to the teaching-learning environment in the university.

Thus, there are only five Evaluative Reports on behalf of the School of Arts & Social Sciences. These are – Departments of Islamic Studies, Public Administration & Political Science, Social Work and Women Education.

## **Directorates/Centers:**

### **1. Directorate of Distance Education (DDE):**

The Directorate of Distance Education was established in 1998 to enhance access to education and training programs to Urdu speaking population to reach the unreached.

The courses offered are:

1. Post Graduate programs in Urdu, History, English and Islamic Studies
2. Under-graduate programs in Arts, Science, Commerce and Education
3. Post Graduate Diploma in Museology,
4. Post Graduate Diploma in Tourism Management,
5. Diploma in Teach English,
6. Diploma in Journalism and Mass Communication
7. Certificate in proficiency in Urdu through English
8. Certificate in proficiency in Urdu through Hindi
9. Certificate in Food and Nutrition
10. Certificate in Functional English for Urdu speakers

The network of nine Regional Centers (RC) and five Sub-Regional Centers (SRC) at the following places to look after the work of the distance learning programs. RC: Delhi, Patna, Bengaluru, Bhopal, Mumbai, Darbhanga, Ranchi, Kolkata, Srinagar; SRC: Jammu, Amaravathi, Sambhal, Nuh and Hyderabad; and 154 Study centers.

Admission is through merit and eligibility test. For B.Ed program, an all India Entrance Test conducted by the University at its different campuses and Centers.

A student support unit was started in 2011 and a centralised data maintenance cell helps in tracking the programs. The Directorate has 29, 364 students in the UG program, 13, 450 in PG and 596 in others.

The new courses that have been introduced at DDE in the last five years are:

- M.A. in Islamic Studies
- PG Diploma in Museology and
- PG Diploma in Tourism Management
- The seats in B.Ed program have been enhanced due to demand for the program

DDE Exam centers are situated at the regional centers and also at Jeddah and Riyadh (KSA). DDE updates its programs and teaching-learning materials periodically in view of the dynamic knowledge expansion.

Through its distance education programs MANUU fulfills a major agenda of dissemination of knowledge to those people whose access to education has not been up to the mark. DDE strives to bring multitudes of Urdu speakers into the mainstream by providing education through Urdu medium.

The DDE makes the best use of educational material available and makes it accessible to learners by entering into MoUs, by obtaining copyrights and permissions. The best material is edited, vetted and translated into Urdu. To date DDE is in collaborative partnerships with BRAOU and IGNOU for material sharing. Another mode of providing access to education to the learners is the use of broadcast media. The impact of audio visual medium on the learning process is unquestionable. MANUU is in a contractual partnership with AIR, Doordarshan and private Urdu channels like E-TV Urdu. Apart from lessons on the air and TV, learners also get exposure to extension programs like documentaries, discussions etc through these programs. All regional Centers of DDE operate in close liaison with the main campus. The ICT enablement has been extended to all regional centers, and the learners have access to these facilities.

The DDE on the main campus at Hyderabad has a library with a holding of 3427 text books, 2804 reference books and also subscribes to journals. These are growing facilities which are replenished at the recommendation of the faculty as per need. The faculty is on equal footing with the teachers on the regular programs in terms of opportunity, access and empowerment. The DDE has held conferences at the headquarters as well as the regional centers. The faculty from the off-campus are constantly called for orientation and upgradation programs, and for discussing the continuation/discontinuation or altering of instructional programs, educational material etc. Faculty takes up research projects and capacity building activities.

The biggest challenge for the DDE is to conduct the program on schedule. Because of the vastness of its catchment area, the timely reaching of learning material and conduct of examinations are often ridden with difficulties of management. This may affect the timely announcement of results and the progression of students may get affected. MANUU is ever striving to overcome these hurdles. The administration takes interest in providing all possible facilitates required for the distance education programs.

In 2013, the university appointed a senior academician as consultant at DDE to oversee the running of all the educational programs and to advise the Directorate on the strategies of good governance of this enormous enterprise.

The team work of the academic support structure, and a well planned and well executed administrative policy spell out the success of the Distance education program at MANUU.

With a sensitivity towards the backgrounds and the handicaps of the larger percentage of its distance learners, MANUU provides essential facilities like a toll free number whereby learners can call up with their queries and problems. All necessary course-related or exam related information is sent via emails and sms. The regional centers act as student contact and counseling centers and have been set up at strategic points in the country where the Urdu speaking population is large, so as to create easy access to the prospective learners.

The University is now in the process of setting up a network of ICT facility to connect all regional centers so that learners under distance education may benefit from all programs and events along with the campus students.

## **2. Instructional Media Center:**

The Instructional Media Center (IMC), established in the year 2007, is an initiative taken up by MANUU to enrich its Distance and Conventional Education Programs with media components based on audio, video, Radio, TV and multimedia. The IMC provides all the necessary facilities and infrastructure under one roof for the multimedia needs of the Directorate of Distance Education and conventional mode of MANUU. It also serves as a resource center for the students of MCJ to enable them to gain hands-on experience in video and audio programs production. IMC has been producing curriculum based programs, educational documentaries addressing wide Urdu audience, and programs for special occasions. It has covered seminars/workshops/conferences etc in MANUU campus.

### *Infrastructural facilities:*

The IMC is housed in a separate building in the University campus. One video studio with three studio cameras, one audio studio with Netia Radio Assist 7.51 software, along with associated Production Control Room (PCR), two audio edit suites with Netia Radio Assist 7.51 software and three video editing facilities with Avid Media Composer, computer graphics with Adobe Production Premier, one e-class room, one

50-seater preview theatre and a media library. The technical areas are powered by the centralized UPS system.

06	Total	<b>291</b>

*Special Coverage in the university till September-2014*

S.No	Types of coverage	Total
01	Seminar/Conferences/ workshops/special lectures	<b>314</b>

The video programs are being produced in different formats such as documentary, simple demo, interview, discussion, lecture etc., to suit the pedagogic objectives of different areas in the best possible manner. The production values and technical

quality of these programs is on par with the best practices obtaining in the ODL and conventional systems in our country as well as the world over. To further enhance the quality of Video Programs, IMC has organized a TV Presentation Techniques workshop for teachers. The IMC is planning to organize capacity building training programs to make resource persons familiar with the educational production techniques.

The e-classroom set up can also be linked through an uplink for interactive communication with students located at distant places, which further enhances the value and usefulness of the e-classroom based academic activity.

#### *MANUU Programs Telecast on DD Urdu:*

The University had entered into an MoU with DD Urdu channel for broadcasting the University's video programs on a regular basis. The MoU was effective from 2008 to 2013. During this period DD Urdu offered free broadcast slots to MANUU everyday at 8 o'clock in the morning and 5 o'clock in the evening to enable the University to telecast curriculum based video lessons, educational documentaries and enrichment programs on Urdu language and literature and cultural heritage.

#### *Other telecast and distribution Mechanism:*

Delivery of the audio/video programs to the widely dispersed students is important a matter as their production. For this, the IMC plans four-pronged approach:

- Video Programs telecast through DD Urdu channel
- Telecast of Educational documentaries will start on ETV Urdu shortly.
- Interactive delivery through satellite or through EDUSAT- proposed.
- Non-broadcast distribution of VCDs/DVDs/Audio CDs to Study Centers.

The University plans to diversify into other means of delivery. IMC plans to introduce interactive live programs from the studio, with the student groups participating from the various Study Centers across the country. This networking is under discussion with ISRO authorities.

#### *Arrangement at Study Centers:*

At present Study Centers are being equipped with TV sets and DVD players. The DVD distribution of curriculum based programs has already been done at 50 Study Centers. The facility will be extended to remaining Study Centers during the plan period.

#### *Videos on MANUU home page and YouTube:*

To make programs more viewer-friendly, the Video programs are regularly uploaded at MANUU home page with an appropriate server. IMC also has created its own YouTube Channel and will be given a link at MANUU home page.

### 3. Maulana Abul Kalam Azad Chair (MAKAC)

The Maulana Azad Chair was set up at MANUU in 2009, as part of the sanction of six such Chairs across the universities in the country. The Chair has been established by the Ministry of Human Resource Development through UGC in honour of the great nationalist, freedom fighter and a visionary of modern India, Maulana Abul Kalam Azad. The Chair has a central significance for MANUU because of a furthering of the eponymous relationship of MANUU with the Maulana. The university has honoured this Chair by keeping it separate as an independent unit, under central governance.

The Chair has been sanctioned the following posts:

Sl.No	Position	Number
1	Director/Professor	1
2	Research Associate	1
3	Research Scholars	3
4	Lower Division Clerk	1
5	Office Assistant	1

The thrust areas of the Chair are – Maulanas' contribution to:

- Journalism/Education
- Urdu, Arabic and Persian literature
- Freedom movement
- Political, social and historical events
- Comparative religious studies
- Ideas of secularism
- Values and morality

In 2012, an eminent professor, Prof. Suleman Siddiqui, was appointed as Chair, Maulana Azad Studies. He initiated activities of research on the life and works of the great Maulana.

The activity of the Chair includes the following areas:

- Collection of literature about Maulana Abul Kalam Azad
- Organization of a three day Conference on "Maulana Azad- A Multi -faceted Thinker"
- Setting up of a gallery of memorabilia on Maulana Azad (collection of photographs, fascimiles of personal correspondence, copies of old journals etc.)
- Two books were commissioned to be written on different aspects of Maulana Azad's personality and his contribution to nation building

In early 2014 the activities have started on an intense scale with the appointment of the present Professor as Chair, Prof. Amina Kishore. She was invited to join as Professor on Maulana Azad Chair. MANUU has appointed Mr. Mir Ayoob Ali Khan, Senior Editor with the Times of India as Senior Consultant to MAKAC.

The programs of the Chair are facilitated by an Advisory Committee which comprises

of the following members:

Sl.	Names	Membership
1	Prof. Mohammad Miyan	Chairman
2	Dr. Khwaja Md. Shahid	Member
3	Mr. Salman Haider	Member
4	Prof. Mushirul Hasan	Member
5	Prof. Ishtiaq Ahmad Zilli	Member
6	Dr. Ismat Mehdi	Member
7	Dr. Abdul Kalam	Member
8	Dr. Faheem Akhtar	Member
9	Mr. Mir Ayoob Ali Khan	Member
10	Prof. Amina Kishore	Member Convener

The plan of Action of Maulana Abul Kalam Azad Chair is as follows:

*Preparation of Coffee Table Book:*

- Themes (options):
- Azad: Architect of Modern India
  - Maulana Abul Kalam Azad : A Profile

It is planned to make it a beautiful presentation piece with good write-ups and rare pictures conveying the versatile aspects of Maulana's life and works

Special Lectures: The chair envisages holding 3 lectures per year on: Secularism, Leadership, Indian National Movement, and Education, all with reference to Maulana Azad.

Short Term Courses: It is proposed to formulate the Syllabus and Course Design for Short Term/Foundation Courses for PG students (on campus program) on the following areas: Peace and Harmony; Comparative Religions; Women and Education; Leadership.

Awareness programs for students: a. Films/Videos-Screening; b. All India Quiz/ Essay/Script-writing competitions.

Collaborations: It is proposed to initiate programs/projects of mutual interest with the Chairs in other Universities and parallel Governmental/Non-Governmental Institutions working on Research & Development projects in the area of Azad studies.

Publication / Translation work: Some notable work has been done on Azad, as is evident from bibliographic lists prepared by various bodies. However, there is scope for much more work in this direction. The Chair proposes to take up re-print/revision of archival works on Azad.

Translation of Azad's works are not available in regional languages. Projects: (i) like transcription of Urdu texts into Hindi and (ii) Translation of Azad's works into Bengali, Telugu, Marathi etc., can be taken up after identifying scholars and bi-lingual translators.

*Website:* Content in three languages is being prepared to be posted on the MANUU website in a special module Goshae-e-Azad.

The vision of the Chair is to act as a center to promote the excellence of the young people who choose to study at MANUU. These stakeholders deserve the best of training in personality development and skill improvement. A Forum for students of MANUU has been set up at the Maulana Azad Chair. Significantly it has been named as "Azad Forum for Creative Thinking". At present only MANUU students are given membership. The various activities of the students of MANUU which were so far run as non-formal activities are now planned to be given a platform at the Forum. With this vision, Maulana Azad Chair has invited the inclusion of the Students Wall Magazine group to continue its activities under the Forum. The Chair has brought out a Brochure on Azad.

The university has approved the proposal to invite scholars from outside the country to be appointed as visiting scholars at MANUU to work on short term research projects on Maulana Azad. The Chair plans to organize lecture series by eminent Azad scholars in the country and abroad.

#### **4. New Initiatives on the Anvil:**

On the anvil are two significant proposals:

- (a) Center for Religion Studies; and
- (b) Center for Central Asian studies

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

- The department introduced a new paper “Advanced course of Islamiyat” after receiving suggestions from the students and discussing the significance and contents of its syllabus among the faculty members.
- The department is to start M.Phil program. There were demands from students to start this program, and the faculty members discussed the matter in several meetings and discussed the contents of syllabus before getting it approved by the BOS.

42. Does the department obtain feedback from

- a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how

does the department utilize the feedback?

The faculty members of the department discussed the contents of the syllabus in the light of their experiences. And in the light of their feedbacks the curriculum has been revised, and revised syllabus has been approved in 3<sup>rd</sup> BOS meeting. Likewise the different types of internal assessment have been adopted for the enhancement of teaching-learning–evaluation.

b. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

The department consulted the students and got their oral feedbacks regarding the staff, curriculum and teaching-learning-evaluation. Then these items were discussed in the faculty meetings and utilized them to enhance the teaching quality.   - Highlighting the aspects of rich composite culture of Indian society.
  - Making students aware about values for Multi cultural societies.
  - Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:

- Department has well qualified and experienced faculty members.
- Since most of the students enrolled are graduates of renowned Indian Madarsas, they have good potential in themselves.
- The syllabus is up-to date and has been prepared keeping in view the modern requirements of the Indian society, and it contains all significant subjects of Islamic Studies.
- Department gets all kinds of support from authorities of the university.
- The spirit of team work prevails in the department which provides a positive and creative atmosphere for planning and implementing of innovative ideas in the department.

Weaknesses:

- Department in recent time doesn't have permanent teaching faculty members (except HoD).
- Department lacks departmental library including digital library.
- Since the department is new, the central library of MANUU doesn't have sufficient collection of source books related to Islamic Studies.
- Department doesn't enjoy hi-tech facilities in its class rooms which will surely enhance the quality of teaching-learning process.

### Opportunities:

- The Department has the potential to be turned into a Centre of Excellence for quality research in different fields of Islamic Studies.
- Keeping in mind the Madarsa background of its students, the Department can produce graduates with deep knowledge of Islam representing as a good role model in a plural society.
- The Department can promote value and moral based education.
- The Department can benefit and promote inter disciplinary exchange programs with the students of other departments of the university.
- The Department can work on introducing a bridge course for Madarsa students for their access to main stream higher education.

### Challenges:

- Most of the students of the department have very little knowledge of English language, which is a drawback for their intellectual growth and employment.
- This is Urdu University, and Non-Madarsa background students are generally weak in Urdu writing skills, so extra attention is required for their language correction.
- Providing hostel facility for all students is a big challenge, which some time affects their attendance. Most of the students come from financially weak family backgrounds and could not afford the outside accommodation.
- Future plans of the department.
- The Department plans to start Research Programs like M. Phil and Ph. D, and other Diploma programs in Islamic Studies in near future.
- The Department aims to train students in English and Urdu language writing skill.
- The Department plans to conduct multi-typed academic activities for the students to enhance their learning level.
- The Department plans to establish within the department a digital library containing important and rare source books and research materials.
- The Department plans to establish a strong academic contact with other similar departments in the country and abroad for different exchange programs for students and faculty members.

- Promotion of Rights of Muslim Women and Islamic Sharia.
- Promotion of Legal Provision for Women, Policies and opportunities.
- Adopt new methods in teaching
- Accommodation of contemporary issues on women in the syllabus regularly
- Regular outreach programme of the Department on the above issues

Weaknesses:

- Student strength is not satisfactory at PG level.
- Women's Studies is relatively an unknown discipline, not many are aware of it.
- Since our clientele come from marginalised sections, many are first timers to the university system, and hence are not exposed to various trends in higher education.
- Women's Studies are yet to be introduced at UG level so as to draw a regular stream at PG programme. Also, lack of job opportunities in academic institutions contribute to the Low intake at PG level.
- Most of our students are from Madarassa background or are from distance

mode or from Urdu Medium hence their inability to refer / access the reference material, be it journals or books in English is a biggest hurdle for acquiring scholarship.

Opportunities:

- Placement at NGOs, Centres for Women's Studies and Research Centres, Teaching, Gender Specialist, Counsellors, Media, Crèche Managers.

Challenges:

- Raise the strength of students.
- Promote feminist scholarship.
- Develop English language skills.

52. Future plans of the department.

## 37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period :

Most of faculty members in the department have been appointed in 2014.

## 38. Present details of departmental infrastructural facilities with regard to

- a) Library: Establishment of Departmental Library is under process.
- b) Internet facilities for staff and students : 24X7 Wi-Fi enabled Campus with 1 GBPS.
- c) Total number of class rooms : 05
- d) Class rooms with ICT facility : 02
- e) Students' laboratories : 03
- f) Research laboratories : **01**

39. List of doctoral, post-doctoral students and Research Associates
- from the host institution/university : The department is a new department therefore the percentage will be improved in the near future.
  - from other institutions/universities : 03
40. Number of post graduate students getting financial assistance from the university. :
- 83 MCA students and 01 PhD student.
41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology. Yes
- Different meetings of faculty members were organized to deliberate on the possibility for new programs. After iterative meetings a proposal was prepared to introduce 06 years B.Tech-M.Tech (computer Science) program in Department of CS & IT.
  - The proposal was discussed at length in the meeting with members of the Board of Studies.
  - The proposal was further discussed and deliberated in different School Board meeting.
  - The proposal was finally approved by the Academic Council and incorporated in the academic programmes.
42. Does the department obtain feedback from

- Through meetings and random checks by Dean, HOD and established committees.
  - By interacting with students and faculty frequently to check the progress.

47. Highlight the participation of students and faculty in extension activities.
- Seminar : 02
  - Workshops : 28
  - FDP's: 03
48. Give details of “beyond syllabus scholarly activities” of the department.
- The faculty introduce value addition contents for the corresponding theory and lab courses.
  - The monitoring committee under the chairmanship of HOD monitors and access the value addition activities.
49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details. No
50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
- Through research and development activities
  - Introducing value addition courses.
  - Conducting In-house and industrial training activities.
51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department :
- Strengths:
- The core competence of the department is its adequate learned faculty members.
  - Sufficient number of laboratories and technical help.
- Weakness:
- To provide the training for diverse students with different backgrounds.
- Opportunities:
- To provide employable skilled manpower as per the local needs and the global standard.
- Challenges:
- To establish strong bondage between the department and Industry.
52. Future plans of the department.
- To promote Research and Development activities by developing various multi-disciplinary research groups such as Web Software Engineering, Soft Computing, Information Security and Human values ethics & etiquettes.
  - To Introduce Web based learning through online courses.

- c. To provide wider access to people for pursuing professional programmes to inculcate entrepreneurial skills through regular mode in the Department of Computer Science & Information Technology.
- d. To setup an **Industry Institute Interaction Cell (IIIC)** to facilitate the Campus placement.
- e. To organise workshops, symposiums, seminars, faculty development programs and conferences in the department to promote computer science based interdisciplinary research.
- f. To establish incubation centre for developing entrepreneurship and promoting start-up with innovative ideas.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:

- Fully qualified and highly proficient faculty members are available in the Department and Colleges of Teacher Education
- Sprawling building with all the material resources is at the disposal of the School of Education and Training.
- All the laboratories are fully equipped.
- The Department developed a fully equipped and furnished computer and language lab.

- Wi-Fi facility on the campus to enable all the students and the faculty to access the world of information.

Weaknesses:

- Non availability of recent subject matter in different aspects of teacher education in Urdu.
- As the students came from Urdu Medium background they find it difficult to study in English which is a pre-requisite to assimilate new knowledge.
- In the age of accelerated learning it is often observed that our students are slow in their acquisition process due to their Socio- economic background.
- Assimilation and expression of certain crucial issues in education is hampered due to non-availability of research data in Urdu.
- The present duration of B.Ed. and M.Ed. Courses is not sufficient to orient the prospective teachers in the crucial areas of their profession which include School Experience, Community Interaction and the mastery of the content in Urdu.

Opportunities:

- The School of Education and Training prepares the primary, secondary, senior secondary and higher education teachers of various subjects and specialisation to meet the needs of all the states in the country for Urdu medium and other media institutions.
- The established MANUU Model Schools act as the demonstration schools for the faculty and students of Department of Education and Training and the colleges of Teacher Education.
- The Urdu speaking minorities (male/female) are provided with an opportunity to avail teacher education facilities of high quality in their nearby vicinity by paying minimum fee.
- The faculty of School of Education and Training facilitates in the capacity building of Urdu medium schools and Madrasa teachers of different states through Centre for Professional Development of Urdu Medium Teachers.
- The School of Education and Training through its various Teacher Education programmes enhances the job opportunities of under privileged youth of our country studying through Urdu medium.
- The School of Education and Training supports the needy students to avail the opportunities of various scholarships from government and non-governmental agencies.
- The faculty of School of Education and Training as Resource Persons are contributing in the production of Audio and Video material through Instructional Media Centre of MANUU.
- The Department of Education and Training and the CTEs are functioning as programme centres in conducting the Distance Mode Teacher Education programmes offered by Directorate of Distance Education of MANUU.

Challenges:

- The Socio-economic and the academic backdrop of the students enrolled in to different programmes are considered to be a big hurdle in motivating and bringing them on par with the best of the students pursuing similar courses in other reputed institutions.

- It is challenge for the faculty to main stream the students who come from different parts of the county with diversified outlook.
  - It is a challenge for the faculty to bring all the students in to the fold of ICT enable learning.
  - It is also a challenge for the School of Education and Training to prepare the curriculum and other activities for different programmes of Teacher Education, so as to prepare the prospective teachers not only for Urdu Medium schools but also for other Schools run by the State, Central Governments and Private organisations.
  - While offering pre-service teacher education programmes to prepare teachers for Urdu Medium schools, the faculty is also equally concerned with the empowerment of the existing Urdu Medium teachers across the country is a challenge for the School of Education and Training MANUU.
52. Future plans of the School of Education and Training MANUU.
- To promote collaborative research in education with inter disciplinary approach in the University and with Departments of Education of other Universities.
  - To establish a Department of Special Education in the School of Education and Training to prepare Teachers to deal the children with different disabilities.
  - To develop the Department of Education and Training as a Centre of Research identifying the University Education and Education through Urdu medium as thrust areas.
  - School of Education and Training is planning to elevate all the CTEs in its preview as comprehensive colleges of Education by way of offering all the teacher education programmes under one roof.
  - The School of Education and Training is planning to hiring of all the CTEs and other premiere institutions offering Teacher education programme through the medium of “Networking institutions for capacity enhancement (NICE)

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

Department of Arabic, Maulana Azad National Urdu University was established in the year 2006. The department started functioning since its inception with three faculty members. The department designed its M.A. Programme in way which covers different aspects of acquisition of Arabic language skills with a due weightage on Arabic literature. The department has adopted a functional curriculum for teaching and learning of Arabic as vibrant foreign language focusing on acquiring different linguistics skills, Arabic-English translation and the knowledge of Computer application. Since the introduction of M. Phil programme in 2010 and Ph. D in 2012, the department has been actively engaged in research in wide range of areas such as Arabic Language and Literature both classical and modern and Indian writings in Arabic and Arabic diaspora literature of Arab Americans. Over the years, the department has established itself as the premier centre of research in Arabic language, Literature and culture in the entire south Indian region. It is evident from the overwhelming response of the students, the department received during the past eight years as the number of applications was almost double the intake of the programme every year especially in PG Programme. The candidates are coming from across the country. This shows the National character of the University. The department also offers Diploma in Arabic, Diploma in Arabic Translation and Certificate of Proficiency in Arabic beside the PG, M. Phil and Ph. D programs. The unprecedented boom in I.T. sector ushered in new horizons in the field of Arabic media (electronic and print) and translation in MNC's in India. This prompts the

necessity for scores of professional translators with commendable expertise in the concerned field.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.:

- Teaching Arabic Literature with the aim of understanding global culture and civilization
- Exploring vibrating and thought provoking themes for the research programme
- Developing language fluency like native speakers
- Contribution to produce translators competent for major fields like journalism, scientific discoveries, diplomatic mission, technological innovations
- Sensitization of students towards the value based education and making them capable of self learning

52. Future plans of the department

In the context of Globalization, and unprecedented boom in I.T. sector ushered in new horizons in the field of Arabic media (electronic and print) and in the field of translation in MNC's in India, it is strongly felt that the Indian calibre is competent enough to face the emerging situation and the Arabic language has the potential to face such challenge. The department further proposes to bring the students all the way updated to understand the global trend in security, strategic and business streams so that a grand future may be ensured. It simply needs orientation and supervision.

- Dept. of Persian, MANUU is trying its best to meet the basic objectives of Persian studies in the present scenario, i.e., Persian being a Language of research for our cultural heritage and also an International Language.
- Research is being carried out to introduce many rare manuscripts of high cultural and historical value for Indian as well as International readers.
- Deccan being less explored area, research is the main focus for research themes with an added value of local relevance.

- Eg.
1. A Critical Editing of Persian MSS “Tohfah-i-Dakan”  
( History of Deccan written by Ratan Lal Mast during the reign of 6<sup>th</sup> Nizam of Hyderabad)
  2. “A Critical Editing of MSS “Diwan-i-Raja” (The Sufi Poet of Deccan, father of Khaja Bande Nawaz of Gulbarga )

(Biography of sufies of Deccan Contemporary to Asif Jahis of Hyderabad )

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges

(SWOC) of the department.

**Strengths:**

- Persian a source language for medieval history of India.
- Full-fledged Faculty (05 Members), with Ph. D.
- Interactive Teaching Learning Method for Language Learning
- Job oriented Practical training programs for Manuscripts studies
- Research Oriented Programs.

**Weaknesses:**

- Less enrolment in P.G. Programs.
- Non availability of extensive U.G Programs in other University
- Removal of Persian as a subject in public service exams.
- High expectations of students for job opportunities with less hard work.
- v.As a classical Language Persian attracts more of elderly persons, however,
- rules regarding age limit disallow this needy group to fulfil its aspirations.

**Opportunities:**

- Having an offer of International Collaboration with Iranian Agencies, for establishment of Centre for Persian Studies at the Dept. of Persian, The Persian studies at MANUU can be strengthened.
- The Faculty and the students of the Department have the opportunity to attend refreshers courses in Iran. (Four Faculty Members and Five Research Scholars had attended the course in Iran in the last three years)
- Being a National University Dept. of Persian, MANUU, keeps a track of latest developments in Persian research.
- Dept. of Persian, MANUU, holds National and International Seminars / Conferences for Persian Scholars and gets a chance for promotion of Persian studies at MANUU.
- The Dept. of Persian provides opportunities to link with the Cultural Heritage of India by offering courses in Persian Historiography during Moghal and Deccan periods

**Challenges:**

- Less job opportunities
- Less enrolment in full time courses
- Need of Language Laboratory
- Elderly persons coming for Persian
- Youngsters wishing high and quick rewards

52. Future plans of the department.

- Finalization of collaboration with Iranian agencies and establish the centre for Persian studies at Dept. of Persian.
- If the recruitment of the faculty increases department may go for UGC-SAP Scheme.
- To provide training of Manuscripts reading for potential students.
- To organize Language Workshops more often on periodical basis, inviting external experts including International faculty.
- More focus on thrust area based research.

- Good Infrastructure
- Well-equipped Library

Weakness

- New and upcoming discipline without proper propagation
- Ambiguity and lack of knowledge in career opportunities
- No “NET” or “JRF” in the subject of “Translation Studies” till now.
- Challenges with Urdu are continued here also

Opportunities

- Courses in Translation Studies are very fastly accepted and initiated in many Indian Universities.
- Madrasa background students are large in number and they have very good multilingual background
- Course is attractive and comfortable for Girl students.
- Urdu medium students may be properly channelized

Challenges

- If MANUU become failed to create proper Translation opportunities for the trained students then they will be frustrated.
- If Urdu will be ignored especially in career development the course will be effected.
- If Madrasas are not channelized properly the intake will become low.

52. Future plans of the department.

- Efforts to have NET/ JRF in translation studies
- Starting Diploma/ PG Diploma in Translation for different areas
- Improving Translation Lab

Yes, Feedback and Input were taken from Media Professionals, senior academics from other institutions familiar with the demands of the Industry, who suggested a roadmap and opined that certain programmes be introduced to meet the requirements of the Industry. Simultaneously the alumni also provided opinion in view of their experience.

Keeping in view the inputs hence provided the Department launched paper - English Journalistic Skills for the First Semester to enable students to acquire Communication Skills in the English language. Simultaneously another Paper - Introduction to Film Studies was introduced in the fourth semester. Besides an additional paper 'Communication Skills' was introduced to fine-tune varied communication skills such as writing CVs, Resumes, preparing for interviews etc. Secondly keeping in view the changing economic scenario of the country a paper titled Socio-Economic Polity and Media Issues was introduced to help students understand the wider socioeconomic implications within which the press functions in India. Similarly to meet the demand of the animation industry a diploma in Graphics & animation diploma course was launched to create opportunities for Urdu speaking students to acquire technical skills of graphics and animation, which will make them more employable.

42. Does the department obtain feedback from

- a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

The faculty members provide comments on the curriculum in the mutual exchanges of the department. Suggestions are incorporated into the syllabus, and in some cases into the bye laws of the department.

- b. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

Yes, students have also provided suggestions at various gatherings with regard to the curriculum and the evaluation process. To the extent possible, suggestions, proposals, ideas are placed at intra-department consultations and incorporated as per their feasibility.

- c. Alumni and employers on the programmes offered and how does the department utilize the feedback?

The department continues to engage with the alumni in a holistic manner and has incorporated the suggestions of the alumni on different issues of the departmental arrangements. It has also offered membership to Media Professionals on the Board of Studies so as to enable a more dynamic interface between the Academics and the Industry.

43. List the distinguished alumni of the department (maximum 10)

Given below is a list of some Alumni along with their present placement

- Mr Jalkote Mohd Pasha, Sr. Copy Editor, Etv- Urdu, RFC, Hyderabad
- ii- Mr Jahaangir Alam, Sub –Editor, First Post.com, New Delhi
- iii- Mr Irfan Ahmad, News Anchor, Channel 100, New Delhi
- iv- Mr Ghulam Ahmad, Copy Editor, Etv- Uttar Pradesh, RFC, Hyderabad
- Mr Tabrez Hussain, Sr. Copy Editor, Etv- Urdu, RFC, Hyderabad
- Mr Ghulam Jeelani, Sr Copy Editor, Urdu Daily, Rashtriya Sahara, Hyderabad
- Mr Zahoor Hussain Bhat, Sub-Editor, UNI-Urdu Service, Srinagar
- Mr GM Dar, Copy Editor, Etv- Urdu, RFC, Hyderabad
- Ms Ulfat Ara, Copy Editor, Etv- Urdu, RFC, Hyderabad
- Mr Mohd Nasir, Doordarshan, Hyderabad

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- Acclaimed actor Tom Alter delivered a Lecture on 11<sup>th</sup> November 2009 and interacted with the students.
- An extension Lecture was delivered by Mr. M.J. Akbar, an eminent Journalist on 16<sup>th</sup> February, 2010 on “Challenges & Opportunities of Urdu Media in 21<sup>st</sup> Century”
- An Extension Lecture was delivered by Mr. Aziz Burney, a senior journalist on 18 February 2011 on “Investigative Journalism and Urdu Media”.
- Ms. Amrita Rai, a Senior TV Journalist, Rajya Sabha TV delivered a Guest Lecture on 8<sup>th</sup> March 2013 on the topic “The Art of TV Interview Techniques”.
- Mr. Farrukh Viqar, a Senior Radio Jockey/ Presenter of Radio 4 FM 89.1, UAE, delivered a Guest Lecture on 29th August 2013 on “the Art of Radio Jockey/ Presenter and Radio Script Writing”.
- Mr. Syed Faisal Ali, Group Editor, Sahara Publications and Aalami Sahara TV and Mr Mohammed Adeeb, Member of Parliament (Rajya

Sabha) have delivered lectures on the topic of ‘Minority, Media and Politics’ on 3<sup>rd</sup> September 2013.

- Mr Masoom Muradabai, Editor Khabardar, New Delhi delivered a lecture on 24<sup>th</sup> October 2013.
- Mr. Vijay Manohar Tiwari, Senior Correspondent of Dainik Bhaskar, Bhopal delivered a Extension Lecture on 4<sup>th</sup> March 2014.
- Mr. Anjum Rajabali, senior Script writer of Bombay Cinema held a workshop on ‘Hindi Cinema and Script writing’. He elaborated on the finer nuances of Hindi film script writing and also interacted extensively with the students and faculty members of the Department on 27<sup>th</sup> March 2014.

45. List the teaching methods adopted by the faculty for different programmes:

Apart from the traditional chalk-and-board method, the department emphasises practical hands on training for the students, and makes extensive use of PowerPoint presentations. The course has been designed in such a way that more hands-on training is emphasized. The students are more engaged in practical exercises for different papers. In the first semester, the Department brings out IZHAAR, an in-house Laboratory journal that is designed and edited by the students themselves, which is part of their Practicals and carries weightage. In second semester students are producing Radio documentaries. In third semester they are trained in producing different genre of TV programmes. And in Fourth semester they are producing TV documentaries, and New Media Technologies which has marks weightage.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

To ensure that the programmes objectives are met, routine Sessional tests are undertaken. And the results are shared with the students. But this interaction is not limited to evaluations. Students are updated about their academic deficiencies and academically weak students are offered remedial classes in each semester so as to enable them to catch up with the others. Irregular students are counselled and in some cases their parents are informed in case their attendance percentage falls below the required percentage.

47. Highlight the participation of students and faculty in extension activities:

As part of the syllabus, the Students of M.A (MCJ) final year were taken for an educational Tour to New Delhi for a duration 10 days. In 2013 during the said visit students have visited many media houses like ABP News, Lok Sabha TV, IBN 7, Aalami Sahara TV and Urdu Daily Inquilaab, Dainik Jagran, Urdu Roznama Sahara, DAVP, IIMC, MCRC, JMI, Community Radio, Delhi University, UNI etc., and interacted with the famous personalities of the said TV channels/ Media houses like Mr. Saji Zaman, Editor - in - Chief, ABP News, Mr. Rajiv Mishra, CEO, Lok Sabha TV, Mr. Syed Faisal Ali, Group Editor, Sahara Publications and Aalami Sahara TV and Mr Naresh Praveen, Chief Editor, News and Features, IBN 7 and Senior Anchor Ms Amrita Roy, Mr. Neeraj Vajpayee, Joint Editor Cum General Manager, UNI, Mr. G.Mohanti,

Director General, DAVP, Dr. P. Upendra, HR Head, Dainik Jagran Publications, Mr. Abid Anwar, renowned Urdu Columnist, Mr. Mohammad Imran, UNI.

Students had also opportunities to meet and interacted with Union Ministers K. Rahman Khan, Mr. Tarique Anwar, MOS as well as Former Lok Sabha speaker, Mr. P.A. Sangma, Chairman -Press Council of India, Justice Markandey Katju, Mr. Ali Anwar Ansari and Mohammed Adeb, Members of Parliament along with others. Students were also visited India Islamic Cultural Centre, New Delhi and had an opportunity to interact with Mr. Siraj Qureshi, Chairman of IICC. Students also paid homage to Maulana Abul Kalam Azad at his graveyard at Jama Masjid, Delhi. Similar visit was also organized in 2010.

As part of the syllabus, local field visits were organised every year where students were taken to visit reputed media houses of electronic media and print media at Hyderabad to see the functioning of the Studio/ Media offices and interact with famous personalities of the Media houses and their staff.

And students are encouraged to participate in extracurricular activities of the University.

48. Give details of “beyond syllabus scholarly activities” of the department:

With the intention to give students opportunities beyond the mere academics, the department organizes regular film shows as part of extra-curricular activities. This opportunity allows them exposure beyond the popular Bombay cinema and familiarizes the students with the rich tradition of Parallel Cinema, Indian regional cinema, and acclaimed documentaries. Visits are organized to enable the students to familiarise the students with the working of various mediums such as TV and Radio. The faculty also encourages the students to regularly write letters to the Editors, Columns, and Special reports. Etc.

Besides, the Department also facilitates the students to participate in Quiz shows, nuked naataks, online websites that require uploading of video content and work as volunteers in special cultural programmes like Kader Ali Baig Theatre Festival at Hyderabad. Students have their articles published regularly in local dailies. Some of the Documentaries made by the students as part of their practical were broadcast on DD Urdu. Special issues are also published and students regularly contribute to these publications.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details: -

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

The Department ceaselessly aims to provide a mix of theory and practical to allow the students to incorporate academic insights into professional efficiency. With this in view, the department provides opportunities to the students to acquire skills in making documentaries, edit their own news journal, record their

radio programmes etc

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strength: 1. Infrastructure. 2. Resource Persons 3. Academic-Industry Interface  
4. Placement 5. Industry Exposure

Weaknesses: 1. Shrinking Hostel capacity. 2. Availability of books in Urdu 3. Limited Entrance exam centres. 4. Availability of rooms for future courses. 5. Maintenance of Electronic infrastructure

Opportunities: 1. Expanding Urdu speaking population. 2 Demand for software catering to this Urdu speaking population 3. Status as the only institution in the field that provides Urdu as medium of instruction. 4. Growing demand for bilingual/trilingual/Multilingual media professionals. 5. Expanding Urdu networks of TV channels and newspapers.

Challenges: 1. Meeting the demands of the expanding Urdu speaking population spread across a wide geographical area. 2. Availability of Resource material in Urdu. 3. Poor economic background of students. 4. Catering to a large catchment area. 5. Absence of Technical support

52. Future plans of the department:

The Department intends to introduce the 5 years integrated course in Electronic Media for which syllabus has been prepared and approved by the Board of Studies and School Board. The Department also proposes to launch Diploma course in Non-Linear Editing, Script Writing and Cinematography. The Department also looks forward to relaunch the Diploma course in Graphics & Animation from the new Academic year that was discontinued.

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period: 2 submitted Ph.D. (awaiting results)

38. Present details of departmental infrastructural facilities with regard to

(a) Library : Central Library caters to the needs of the Dept.

(b) Internet facilities for staff and students: Yes

(c) Total number of class rooms: 3

(d) Class rooms with ICT facility: 1

(e) Students' laboratories: Computer Laboratory

(f) Research laboratories: NIL (Not required)

39. List of doctoral, post-doctoral students and Research Associates: NIL

(b) from other institutions/universities -

40. Number of post graduate students getting financial assistance from the university.  
100%

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

42. Does the department obtain feedback from

(a) faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Regular meetings are held by Dean, School of Sciences with the Heads of the Departments and the Faculty of Sciences. Feedback is taken and on the basis of feedback the examination & evaluation and the courses are restructured. New add-on courses are being introduced to help the students improve their

communication skills and soft skills.

- (b) students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback? Yes

Regular feedback is taken from students and measures are taken to modify teaching methodology to meet their requirements.

- (c) Alumni and employers on the programmes offered and how does the department utilize the feedback? Univesity

The Department of Mathematics is only 3 years old – hence no alumni yet.

43. List the distinguished alumni of the department (maximum 10)  
The Department of Mathematics is only 3 years old – no alumni yet.

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

Special lectures & seminars are frequently organised for student benefit.

45. List the teaching methods adopted by the faculty for different programmes.

Audio-visual aids, computer facilities and resources from the internet are used to supplement class-room activity, Regular tutorials are conducted both at UG and PG level to address difficulties and problems of the students.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

By having regular faculty meetings and students teacher meetings and having regular class tests and seminars the outcome of the program objectives are monitored.

47. Highlight the participation of students and faculty in extension activities.

- a) Seminar
- b) Conferences
- c) Workshops
- d) Out-reach activities

48. Give details of “beyond syllabus scholarly activities” of the department.

Through departmental seminars and extension lectures by guest faculty the students are given a broader and deeper perspective to learning mathematics and science and the relevance of scientific research society.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details. NO

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

Dr. S N Hasan's work on generating new class of periodic solutions for the three body problem finds applications in planning orbits for artificial satellites around the Earth or Earth-Moon system and his work on Mass segregation in star clusters has importance in understanding the processes of star formation and evolution.

Dr. Afroz's work finds applications in developing ECG systems

Mr. Khaja Moinuddin's works gives a deeper understanding of viscous flows which can be applied to both physical and biological systems.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:

- (i) A diverse group of students coming from different parts of India Viz. Kashmir, West Bengal, Uttar Pradesh, Chattisgarh, Jharkhnad, Bihar, Karnataka, Andhra Pradesh & Telangana
- (ii) Faculty with varied & diverse research interest – viz. Wavelet & its applications, Algebra, Analysis, Fluid Mechanics, Celestial Mechanics & Dynamical Astronomy.
- (iii) Good infrastructure
- (iv) Faculty interested and actively involved in adopting innovative teaching methodology.
- (v) 95% students live on campus making it possible to involve them in curricular and extra-curricular activities beyond teaching hours.

Weaknesses:

- (i) It's a very young department, hence presently it does not have established alumni & the support it can get from its alumni.
- (ii) Most students come from humble background hence need a lot of support and counselling to help them define their career goals.
- (ii) The department does not presently have a department library, the students and the faculty need to depend on the Central Library Facility.
- (iv) The department being very young the laboratories need to be strengthened and in the process of developing them.
- (v) Placements activities such as career counselling, training in communication and soft skills need to be strengthened. Academia-Industry interface needs to be developed and we are in a process in doing so.

### Opportunities and Challenges:

Students come from varied backgrounds therefore the challenge for the department is to integrate them into a homogeneous group, improve their communication skills and soft skills and make them employable by National and International standards.

#### 52. Future Plans of the Department.

The Department of Mathematics is a young department. The permanent faculty though very small comes from varied backgrounds and have diverse research interests – viz Wavelet & its applications, Algebra, Analysis, Fluid Mechanics, Celestial mechanics & Dynamical Astronomy. Students in the department come from different parts of the country ranging from Kashmir, West Bengal, Uttar Pradesh, Chattisgarh, Jharkhand, Bihar, Karnataka, Andhra Pradesh & Telangana. This makes the teaching and learning environment very rich. The aim of the department is to sharpen students' rational and mathematical skills, expose them to the varied possibilities of application of mathematics to different branches of science, engineering and industry. The department plans to develop a strong computer centre and train students in simulations and application of information technology in varied disciplines. The students will be trained such that they are encouraged to take up research activity and also make them employable by national and international standards. The faculty will be involved in getting funds from various national and industrial sources. The department also plans to develop collaborative and student exchange programs with Universities & Institutes at National & International level.

In its nascent life the Center has caught the attention of experts all over the country and aboard with its activities. What will really make a difference in the study of the Deccan are the innovative projects and hard work of the people involved with the Center. The Center remains committed to the endeavour of showcasing the bigger and lesser known facts of the Deccan in plenitude and with regular frequency.

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

The Center completed a major research study titled A Cartographic Profile of the Deccan which has put together 135 maps and nautical charts produced by map-makers, hydrographers and foreign travellers some as old as 900 years and some as young as only a 100 years in 10 different languages - Portuguese, Dutch, French, English, German, Italian, Latin, Catalan, Chinese and Arabic. The book gains significance and has generated lot of interest since there is no historical atlas of the Deccan till date.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

#### Strengths

1. Committed faculty with focus on research
2. The Center has shown a significant progress since its establishment two years ago
3. The Center has built up national and international network in the last two years

#### Weakness

4. The Center needs clerical staff and Research Assistants

#### Challenges

5. The Center has kept a challenging goal for itself of producing finest research publications on unexamined areas of Deccan

52. Future plans of the department.

The H.K.Sherwani Center for Deccan Studies has ambitious plans for the future which include: Lectures, Panel Discussions, Conferences and Seminars, Exhibitions and Festivals, Book Reading & Theatre Sessions, Research Projects, Collection of rare private/public literary records, Training Programmes in source languages, Digitization of rare, unavailable sources, making short films on different aspects of Deccan. The Center for Deccan Studies plans to bring out a refereed bi-annual interdisciplinary journal which will exclusively publish articles on the Deccan. In order to showcase the Deccan, the Center from time to time also plans to publish monographs, books, anthologies, historical atlases of the region, and out of print works of important authors who have worked on the Deccan. Only when one feels close to the soil does the attachment for a region develop. So, in order to give a tangible form to this emotion, the Center wishes to provide a place to artisans, craftsmen and potters on regular intervals to show their artistic techniques and familiarize people with Deccani arts and crafts.

44. Give details of student enrichment programs (special lectures / workshops / seminar) involving external experts.

The centre is regularly organising the special lectures and seminars by inviting the eminent scholars and distinguished personalities. CSSEIP is running a special lecture series in which the resource persons speak about significant issues pertaining to Muslim minority which ends with the discussion among students. This lecture series is really enriching the academic level of our students.

45. List the teaching methods adopted by the faculty for different programs.

The center adopts multiple methods of teaching such as interactions, group discussions, film projections, data collection and analysis.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

The teaching faculty and the research scholars are in continuous contact to discuss the development in research enquiry, data collection and analysis. The results of the course work examinations are analysed and these are used as feedbacks for restructuring of programs.

47. Highlight the participation of students and faculty in extension activities.

The Center is a hub of teaching and extension activities. Discussion groups organized by the center are attended by students and faculty of other departments. The scholars of the center participate in field work and community activities.

48. Give details of “beyond syllabus scholarly activities” of the department.

The very ideology on which the establishment of the center rests is honed towards a deep social concern for a section of the society as such the research programs of the Center support the goal of setting up of a civil society- academic institution partnership. These partners are mutually supportive and are extensions of the one end or the other. The findings of the research investigations conducted by the center guide the government agencies in formulating their plans of action. Thus both the faculty and scholars are performing a significant task in interacting with the target groups.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details. -

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

The research scholars of CSSEIP are producing very significant work by their research. They are coming with the empirical data and important findings which will be useful in framing the policies and programs.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:

- Multidisciplinary setup
- Strong leadership
- Sound theoretical base emerging from the complex of disciplines
- Committed scholar groups
- Enormous material available in the research repositories of social sciences
- ICT enablement

Weakness:

- Different disciplines can at times become a liability, as methodologies of research may clash
- The regional effect often dominates the national character
- Faculty strength is low, and the centre is unable to expand its research base

Opportunities:

- The Center provides platform to the stakeholders to foreground their problems
- Medium of instruction is advantage for the scholars
- The research program is enriched by the linguistic variety

Challenge:

- The Center runs in danger of being treated with on par with other normal traditional departments
- The different academic disciplines of the faculty and the scholars create conflict of understanding the critical approaches
- The Center resolves the challenges by keeping the objectives of the programs in focus

52. Future plans of the department.

Likely to institute and introduce two chairs namely on Dr. B. R. Ambedkar and Mother Theresa.

## **A Brief on Administrative Sections**

### **i. University Administration**

The Registrar is the Head of the University's administration. Presently, the University has 3 Deputy Registrars, 11 Assistant Registrars, 2 Assistant Directors, 30 Section Officers and 2 Assistant Accounts Officers and around 100 Administrative, Technical and IT Supporting Staff.

For systemic strengthening and streamlining the University administration, a trifurcation of the Administrative Section was done with establishment of the following:

- Establishment & Recruitment I (ER – I) – to look after affairs related to teaching staff
- Establishment & Recruitment II (ER – II) - to look after affairs related to non-teaching staff
- Administration & Governance – to look after general matters of administration

For better communication between the University and other Governmental wings such as the UGC, Dept. of Higher Education, local Municipalities for acquiring pending funds or land acquisition etc. the University started a Development Cell. The University is about to start an online file tracking system. The Internal Audit System of the University has also been strengthened and a number of reforms have been implemented in the Examination system in both regular and distance mode.

### **Academic Section**

The Academic Section is engaged in implementation of academic policies of the University as per the Statutes, Academic Ordinances and Regulations of the University in consonance with the notifications issued by the University Grants Commission and other regulatory bodies from time to time. The Section also facilitates students from within the country and foreign students.

The Academic Section conducts the Academic Council meetings regularly, processes the files for conduct of meetings of the School Boards and Boards of Studies respectively, issues Admission Notification for regular on-campus Programs of the University and the annual Admission Notification.

The Section also processes and sanctions the release of university monthly Scholarships to students. The “Earn While You Learn Scheme” is a unique system introduced by the University to enable the campus students to get hands on experience of working and to earn while pursuing their studies.

### **Administration and Governance**

The University has established the Administration & Governance (A & G) cell to take care of the following work:

- Issue of general orders/notification/circulars;
- Process of Children Education Allowance;

- Processing of vehicle (two /four wheelers) loans;
- Festival and special advances;
- Processing of medical bills of out- patient/inpatient/hospitals;
- Processing of Medical advances;
- Issue of Health Cards;
- Issue of referral letters to empanelment hospitals;
- Empanelment of new hospital and MOAs with hospitals;
- Process of Imprests,
- Contingencies,
- Security bills and other advances of Regional Centers/Sub Regional Centers/CTEs/ITIs/Polytechnics, Model Schools & Other campuses and Sections & Departments in the Campus.

### **Campus Development**

The Campus Development (Engineering Section) wing has been functioning in the University Campus since 1999. As per the UGC guidelines, the University constituted the University Building Committee for examining the details of the construction of different buildings for valuable guidance and recommendations for all the developmental activities of MANUU. The Campus Development is involved in getting the work done for the different departments of the University located at Hyderabad, and other campuses.

During the past five years, a number of construction projects have been entrusted to the CPWD and Bharat Sanchar Nigam Limited. Following constructions have been under taken: Additional Substation building, Development of Sports Ground, CSE Coaching Academy building, New Girls Hostel, Boys Hostel III, School of Commerce & Management building, University College of Undergraduate Studies building, extension of 2<sup>nd</sup> floor for School of Education & Training, extension of 2<sup>nd</sup> floor for School of Languages, Linguistics and Indology, extension of CPDUMT Boys Hostel, extension of University Health Centre, extension of UGC-ASC Guest House, extension of VIP Guest House, Raising the height of existing boundary wall & providing concertina coil fencing, Providing peripheral cement concrete road along the boundary wall, construction of Over Head Tank (2 lakhs liters capacity) and Underground Sump (3 lakhs litres capacity) including distribution lines and pump house in residential area, Centralized Computer Centre and Digital Resource Centre; Centre for Deccan Studies building; Vertical extension (3rd floor) over the Lecture Hall Complex and Information Centre building.

Other than this, construction work is also going on at regional centers of MANUU such as Bengaluru, Darbhanga, Aurangabad, Srinagar and Sambhal where land has been acquired by MANUU.

### **Estate Section & Maintenance Cell**

The Estate Section looks after maintenance of the buildings and campus: A Maintenance Cell has recently been formed to look after the upkeep of the afore mentioned buildings and also horticulture in the Campus. The Engineering Section looks after maintenance of Civil & Electrical work such as day to day maintenance of all the civil work and attending to the complaints received from Residential and Non-

Residential buildings in the Campus. The horticulture work has been entrusted to CPWD (Horticulture) for planting avenue trees along the road side and also the gardens with carpet grass and shrubs around existing buildings.

These Sections are also responsible for managing the facilities of Security, Telephones, Housekeeping, and University Canteen which have been outsourced. The other responsibilities of Estate Section includes allotment of Quarters, upkeep of amenities including facility management at University Quarters, maintenance of Lease Agreements of Regional Centers and processes rents of buildings of Regional Centers.

### **Public Relations Office**

Public Relations is a modern tool for image building and enhancement. A vibrant public relations system ensures and reflects rapid growth and expansion of any institution or organization. The Public Relations Officer, besides being the face of the organization works as a close link between external and internal public. The importance of the public relations increases manifold during the time of crisis. An efficient PR executive mitigates the problems of institution and performance damage control where need be.

In a unique organization like MANUU, the role of PRO is of immense importance to disseminate information across the country. The Public Relations office is headed by the Public Relations Officer. The university has appointed a Media Coordinator to advice on matters of media management and publicity of MANUU programs. PRO is in-charge of publishing the University Magazine, Al-Kalam and the university calendar/diary; arrangement of all important university events; liaisons with different agencies and media houses.

### **Purchase Section**

The Purchase Section plays a vital role to supply in time to all the departments/sections the required equipment, furniture stationery and other essential infrastructure. The University observes a centralised purchase system for procurement through Purchase Section as per General Financial Rules. All the purchases are carried out as per norms, under DGS&D rate contract or through M/s Kendriya Bhandar/M/s. N.C.C.F./or as per the recommendations of the Purchase Committees within the permissible limits. Tenders are floated to materialize purchases through expert committee opinion and as approved by authority following General Financial Rules.

### **Statistical Cell**

As per the recommendations of National Statistical Commission and instructions of University Grants Commission, a Statistical Cell was established on 3rd March, 2006. The Statistical Cell is responsible to generate and maintain database on Higher Education System in the University to make all kinds of data/information readily be available for the onward transmission to the Govt. Organization. Such data reflects at a glance the students' strength program and course wise, gender ratio, teaching and non-teaching staff and a lot more about the University. This database also facilitates

University authorities to be acquainted with the position about the reservations in admissions and appointments in the University.

### **Internal Audit Cell**

The internal audit department is working under the control of the Hon'ble Vice Chancellor with one Internal Audit Officer, and some clerical staff. The IAC is responsible for pre-audit and also assists in post-audit. The IAC also conducts physical verification of assets and library books and submits reports of enquiry on several departments.

### **Hindi Cell**

As per directions of the Ministry of Home Affairs, Rajbasha Vibhag, Maulana Azad National Urdu University has established a 'Hindi Cell' for implementation of the Official Language Policy to the employees of MANUU. To implement Official Language Policy in an effective manner the UGC has sanctioned three posts exclusively for the Hindi Cell i.e. Hindi Officer, Translator and Hindi Typist.

The Cell takes measures to implement the official language policy in the University, organizes training for officers/employees of MANUU under Hindi Teaching Scheme, ensures regular meetings of the committee members for Official Language Implementation, administers Incentive schemes proposed by the Ministry of Home Affairs, and encourages employees of the University to work in Hindi. It also prepares quarterly/half yearly progress reports for information of the RajBhasha Office, MHRD, prepares a batch/team of the non-teaching employees through nomination by the Heads of the Departments/Sections to undergo for training by attending the classes of Hindi Prabodh/Praveen/Pragya under Hindi Teaching Scheme of Department of Official Language, Ministry of Home Affairs, Govt. of India. Rajbhasha/Hindi Training has been started with an aim to speed-up propagation and development of Official Language Hindi, to accelerate its progressive use in the Govt. offices for official purposes and to get them acquainted with the rules/regulations and policies of the Central Government. The University encourages all employees to attend the classes under this scheme to achieve the target fixed by the Ministry.
