I. Departmental Profile:

- a. Details may include: Date of Establishment of Department, Major Initiatives, Objectives, and Achievements, if any.

The department was established in the year 2006. With the first batch starting in 2009, the department has evolved to develop a large network with the NGOs and governmental agencies in and around Hyderabad to provide effective and rigorous field work training. The experiences of running the course, consistent queries from students, feedback from the pass-out social work students, the department's own assessment of the market requirements, the mandate of MANUU and Urdu as medium of instruction resulted in innovative teaching and learning methods. The regular weekly individual conferences, field work seminars and skill labs have added to the creativity and commitment of the Department to enhance and enrich the knowledge and skill base of students. More recently department is experimenting with visual narratives through documentary film screenings and post-screening discussions for making sense of (hegemonic) common sense. It endeavours to facilitate students in questioning their own perceptions, develop sensitivity to issues and imbibe progressive human values.
